

CURRICULUM VITAE

Mohammad Al-Qudah M.D.

2023

QUALIFICATIONS:

Title of qualification	Date obtained	Awarding body	Country
Bachelor of Medicine, Bachelor of surgery (MBBS).	14/06/2004	Jordanian University of Science and Technology.	JORDAN
Full registration at GMC	02/04/2008	General Medical Council	United Kingdom
Higher Speciality Degree in Histopathology.	06/2009	Jordanian University of Science and Technology.	JORDAN
Associate member – Royal college of Pathologists.	2011-2018	Royal College of Pathologists	United Kingdom
Jordanian board, Histopathology	Spring 2012	Jordanian Medical Council	JORDAN
Diplomateship of Royal college of Pathologists	2019	Royal College of Pathologists	United Kingdom

Research interests:

Laboratory Medicine, COVID-19 impact, Histopathology, Pulmonary Pathology, Breast Pathology, Gastrointestinal Pathology, Healthcare Policy, Education, Medical curriculum development.

Current appointments:

- **Dean** – Faculty of Medicine, The Hashemite University.
- **Full Professor** - School of Medicine, Jordan University of Science and Technology.
- **Consultant Pathologist – CTAG Lab – King Hussein Cancer Centre.**
- **Board of Trustees (By Royal Decree)** - The National Centre for Human Rights.
 - Chairman: Health Insurance Committee.
 - Member: The right for Education Committee.
- **Board of Directors** – Islamic Hospital – Jordan.
- **Academic Advisor** – Politics and Society Institute.

Previous appointments:

- **President Assistant** – Jordan University of Science and Technology. **June 2020-June 2022.**
- **Consultant Histopathologist** - Department of Pathology and Microbiology. King Abdullah University Hospital. Jordan. **July 2012 – September 2022.**
- **Participant** – Health Sector team – Jordan Vision 2033 – Royal Hashemite Court. **February 2022 – June 2022.**
- **Director** – International Relation Office, Jordan University of Science and Technology. **September 2020 – August 2021.**
- **Coordinator** – University Committee for safe return during COVID-19 pandemic Lockdown. **June 2020 – October 2020.**
- **Vice Dean** – Deanship of Scientific Research – Jordan University of Science and Technology. **September 2018 – September 2020.**
- **Blood Bank Director** – King Abdullah University Hospital. **2014 – 2018.**
- **Chairman** - Department of Pathology and Microbiology – Faculty of Medicine & King Abdullah University Hospital - Jordan University of Science and Technology. **September 2016 until September 2018.**
- **Assistant Dean** – Faculty of Medicine, Jordan University of Science and Technology. **September 2014 until August 2016.**
- **Clinical Fellow in Histopathology** - Trafford General Hospital and Central Manchester University Hospitals NHS Foundation Trust Hospital. **June 2010 until May 2012.**
- **Clinical Fellow in Histopathology** – Jordan University of Science and Technology. **August 2009 until June 2010.**
- **Chief Resident and Resident in Histopathology** - Department of pathology. King Abdullah University Hospital. Jordan. **July 2005 until June 2009.**
- **Internship Doctor** (Surgery, Internal medicine, Paediatrics, Obstetrics & gynaecology, A&E and Primary care) - Ministry of health Hospitals and centres. Jordan. **July 2004 until June 2005.**

Achievements:

Assistant Dean – 2014-2016:

- Member of the Curriculum, Postgraduate, Medical Education, and Quality & Accreditation Committees of School of Medicine.
- Participating in preparing a comprehensive strategic plan for the development of the centre of clinical skills and simulation and the Centre for Continuing Medical Education at the Faculty of Medicine, Jordan University of Science and Technology.
- Re-designing the curriculum of the bachelor's degree of Medicine from MBBS to MD.
- Member of the Faculty Council.
- Member of the Curriculum Committee.
- Member of the student's academic instruction committee.
- Member of the scientific and conferences committee.
- Member of University Accreditation Committee.
- Curriculum Review and Reform at College of Medicine, JUST, August 8-10, 2015, JUST Campus, Irbid-Jordan. Supported and Sponsored by EMRO-WHO.
- Current Trends in Assessment of Medical Student's Competence, August 11-12, 2015, JUST Campus, Irbid-Jordan. Supported and Sponsored by EMRO-WHO.
- Supervision of 100+ medical students' activities and public awareness campaigns in North Jordan. (IFMSA).

Chairman of Pathology and Microbiology department 2016-2018:

- Recruitment of qualified staff faculty to cover all subspecialties in Pathology.
- Establishing Postgraduate program for training in Microbiology and clinical pathology.
- Establishing Multidisciplinary team for Lung Cancer.
- Initiate the process of laboratory automation.
- Supervising Blood bank services.
- Chairperson of Postgraduate, Research and Quality committees.
- Member of the Faculty Council.
- Member of the Curriculum Committee.
- Member of the student's academic instruction committee.
- Member of the scientific and conferences committee.

Vice Dean of Scientific Research – 2018 – 2020:

- Automation of all Deanship processes. (Paperless deanship).
- Member of University Scientific Research Committee.
- Holding monthly lectures and meetings with academic staff in preparation to set the new regulations for Scientific Research at JUST.
- Assessing and approving more than 600 research proposals (Funded and non-funded).

International Relation Office – 2020-2021:

- Memorandums of Understanding with more than 20 International Universities and Excellence centres worldwide.
- Facilitate the in and out exchange of students (more than 55 students).
- Facilitate the in and out exchange of Faculty member and administrative staff.

Alqudah M, Odat H, Issa I. May 2016. Journal of Craniofacial Surgery.

Conferences and Workshops:

- Symposium held in King Abdullah University Hospital " Internal Auditing: ISO 9001:2000".
- Certificate of a training course (Current Trends in Student's Assessment in Medical Schools), Jordan University of Science & Technology, August, 2015.
- Certificate of a training course (Curriculum Review and Design), Jordan University of Science & Technology, August 2015.
- Certificate of Attendance the clinicopathological workshop (Liver Disease: Diagnostic Pathology with a Clinical Focus), Jordan University of Science & Technology, April 2009.
- Symposium held in King Hussein Cancer Centre " Pediatric Pathology "Arab School of Pathology/ Arab Division of International Academy of Pathology, July 2009.
- Certificate of training course (Communication Skills), King Abdullah University Hospital, 2006.
- Certificate of attendance the second JSP INTERNATIONAL CONFERENCE, Amman Jordan, 2006.
- Certificate of Attendance the scientific activities of the 3rd JSP INTERNATIONAL CONFERENCE, 2nd HELLINIC-JORDANIAN PATHOLOGY CONGRESS, Amman Jordan, 2008.
- Certificate of Attendance the 17th Congress of the International Academy of Pathology –Arab Division, Amman, Jordan, 2005.
- Certificate of participation of the KHCC 1ST CYTOLOGY WORKSHOP, KHCC, Amman, Jordan 2008.
- Certificate of Attendance the SICEM held in Seoul, Korea, APRIL 2019.
- Certificate of Attendance the Connecting Through Research Conference, KUCC, March 2019.
- Certificate of participation of the 6th International Jordanian Congress of Allergy & Immunology, The 2nd Pediatric Rheumatology Arab Group Meeting: TOWARD THE BEST IN ALLERGY & IMMUNOLOGY, Amman Jordan, 2017.
- Certificate of Attendance the 1ST International Conference on Cancer Informatics (CCI), Amman, Jordan, 2018.
- Certificate of the 25TH Annual Congress of the Arab Division of the International Academy of Pathology & the 5th International Conference of the Jordanian Society of Pathologists, Jordan Medical Council, Amman, Jordan, 2013.
- Certificate of Attendance the "Hematopathology Workshop", Jordan Medical Council, Amman, Jordan, 2016.
- Certificate of Attendance the (Qualifying for Graduate Medical Education Accreditation) workshop, Jordan University of Science and Technology, Jordan, 2017.
- Certificate of Attendance THE 5th International Jordanian Congress of Allergy & Immunology (Allergy and Immunology beyond the limits), Jordan Medical Council, Amman, Jordan, May, 2014.
- Certificate of a training course (Modern Teaching Strategies) held in Jordan University of Science and Technology, Jordan, October 2014.
- Certificate of a training course (E-learning: Open Educational Resources) held in Jordan University of Science and Technology, Jordan, September, 2014.
- Certificate of a training course (Introduction to Improve Quality of Education) held in Jordan University of Science and Technology, Jordan, Jan 2018.

Membership of professional bodies and organisations:

- Jordanian Medical Association (permanent registration number 17466).
- Jordanian Certificate of Full Registration to practice medicine no.13779.
- GMC full registration in April- 2008.
- Diplomateship – Royal College of Pathologists.
- Member of The International Association for the Study of Lung Cancer.
- Member of The European Society of Pathology.
- Member of International Academy of Pathology.
- Member of Pathology society – United Kingdom.
- Member of British division – IAP.
- Member of Jordanian Society of pathology & Laboratory Medicine
