Dr.Ebrahim	Dr.Ebrahim	EC304	ebrahim_mansour@hu.edu.jo.com	Sun - Tue -
Mansour	Mansour			Thur
				11 - 12

## **Course Description:**

The aims of the course are to develop knowledge, understanding and application of International Financial Reporting Standards and the concepts and principles which underpin them.

#### **Course Objectives:**

On completion of this course, student should be able to:

- Explain the international regulatory framework of financial reporting-
- Understand the aims, definitions, and acceptable practices of international financial reporting based on the international financial reporting standards (IFRS) as they apply to assets, liabilities, income, and expenses
- Discuss and apply specified International Accounting Standards and International Financial Reporting Standards to practical situations.
- Apply in a basic context the key elements of financial reporting regulations as set out in key IFRS covering presentation, disclosure, recognition, and measurement.
- Demonstrate the ability to analyse, interpret, and evaluate IFRS compliant financial statements
- Understand how financial and real economic fluctuations affect IFRS financial statements
