International Financial Management

Instructor:

Dr. Husni Khrawish

Office Hours:

Office: Eco 319 E-mail: Khrawish@hu.edu.jo

Sun., Tue. & Thu. (10:00 – 11. 00)

Course Description:

The course focuses on topics that are unique to multinational firms operating in an increasingly global environment. Topics include economic environments, foreign exchange markets, foreign exchange risk exposure and management, direct foreign investment, and multinational capital budgeting, as well as current international financial events i.e. the Asian Financial Crisis, the euro, and investing in emerging markets.

Course Objective:

At the completion of the course, participants should be able to 1) understand crucial elements involved in international financial decisions, 2) apply quantitative skills to analyze such decisions, and 3) discuss intelligently actual business decisions and current events. Lecture, class discussion, and problem solving techniques will be used. Student participation is important and strongly encouraged.
