

**The Hashemite University – Summer Semester 2016-2017**  
**Faculty of Economics and Administrative Sciences**  
**Department of Accountancy**

<b>Course Title:</b>	<b>Intermediate Accounting (1)</b>
<b>Course Code:</b>	<b>1802021201</b>
<b>Term:</b>	<b>2nd Term 2016/2017</b>

**Course Description:**

Intermediate accounting course represents an intensive study and application of the International Financial Reporting Standards (IFRS) for asset and liability valuation, equity, income measurement, and financial statement presentation for business organizations, and the processes through which these principles evolve. The course covers in detail topics that are essential to preparing, reading, and understanding, interpreting, and using financial statements that are prepared in accordance with (IFRS).

Also, this course studies in details some elements of the three financial statements, including: revenue, inventory, tangible (P.P.E) & intangible assets.

**Required Text Book:**

**Kieso, Weygandt, and Warfield (2015). Intermediate Accounting: IFRS Edition, 2nd Edition, John Wiley and Sons, Inc. New York.**
